IL SINDACO delle cannonate

Quando i bastimenti non ne potevano più, per avarie sofferte in estrema vecchiaia molta l'assicurazione agli armatori non rimaneva che andarli in darsena vecchia. Essendo questa riservata alle demolizioni, veniva chiamata il cimitero delle barche. Venivano lì attorno di così decrepite e marce che offendevano la vista assai più che il cuore. Neppure i ragazzi osavano posarci un piede per timore di finire a piombo nelle stive d'agrasto.

Quando vi portarono il *Senza nemici*, qualcuno commentò: «Era tanto legno marcio questo reggeva ancora il mare?»

Andrea il vecchio guardiano di barche che in darsena nuova aveva in consegna il *Fratello del delfino*, incontrato Cosimo l'arsellaio vicino alla polla dei morti in piazzetta Vanni, gli disse che in darsena vecchia c'era in demolizione il *Senza nemici*, quella barca con tante cuccette che al paragone delle baracche diventavano camere di lusso.

Cosimo l'arsellaio non stette a chiedere altro e scappò in darsena. Salì a bordo si rese conto delle cuccette e poi corse tutto d'un fiato alle baracche in pineta. Oltre la Casina de' Tigbio, fra il vecchio campo d'aviazione e le fosse che delimitavano la pineta quella zona appartata e selvatica c'erano le baracche dei senza tetto. Erano una decina sepolte tra i rovi con sopra i rami di leccio e ontani e più d'attorno. Per parete avevano tavole di casse e planche di cabine grattate ne' bagni, il tetto era di paglia con aghi di pino pressati da grosse pietre. Stringeva il cuore vederle.

Cosimo salì a tralcio la in mezzo e prese a gridare: «Ohi ohe! Pigliateci su in branco le vostre robe e correte subito con me: c'è in darsena vecchia il *Senza nemici* e dobbiamo arrivarci prima degli altri. Su su ci stiamo atti, mi presto o bocchi, perché vi gingillate? Volete dar scampo a quelli di Marco Polo o a quelli dei pozzoni e a tutti gli altri di arrivarci prima di noi?».

Donne vecchie e ragazzi correvano in fila, curvi sotto i grossi fardelli. La gente chiedeva a loro in città: «Ma che succede, dunque? Vi hanno forse sfrattato anche di là? E perché non andate in Comune a sistemarvi? Non vi avevano promesso un tetto?»

Di quella sera il *Senza nemici*, ormeggiato davanti al deposito cantiere navale di Carmocci, in attesa d'essere demolito, divenne la casa di tutta quella gente.

Vennero le guardie e dissero: «Ma siete ammattiti?»

«O compagni» risposero «non siamo donne e ragazzi in festa: dalla guerra in qua è la prima volta che siamo dormito una sera tranquilli. Vorreste mandarci di nuovo tra le bisce e le coppie in pineta?»

«Ma» rispose «le guardie «noi non abbiamo visto e non sapevamo niente, va bene?»

Per alcune sere dopo cessò il pattugliare. «Non potete, ma pure io lo debbo demolire la barca. Io vado dalle guardie e vi farò sloggiare».

«Vi pagheremo il fitto ad equo canone di mese?»

«Macché fitto, fatevi dare dal Comune casa e cose poveracchiamo fatte apposta».

Quasi l'hanno dato a chi aveva e non aveva niente: ecco qui.

Cosimo andò dal sindaco. Ma che cosa ha detto al sindaco? Nessuno lo sa. Ma il sindaco ha detto: «Ci sono 4 o 5 senza tetto? Ci sono 40 o 50 senza tetto? Ci sono 400 o 500 senza tetto?
