

Per chi parte e per chi rimane in città

«Vademecum» di fine anno

Il tempo dovrebbe essere clemente - Traffico tranquillo ieri su strade e autostrade - Affollata piazza Navona - Gli orari di servizi pubblici e negozi

Il tempo, a quanto pare, non sarà inelmente: previsioni meteorologiche assicurano che un tiepido sole - offuscato a tratti da nuvole passeggerie - riscalderà la giornata di fine anno dei romani, molti dei quali - costretti dal caro vita e dal «taglio» degli stipendi - trascorreranno il tradizionale veglione di San Silvestre nella città. Ieri il traffico sulle strade è stato tranquillo, e leggermente inferiore a quello registrato l'anno passato: gli automobilisti non sono stati costretti né alle code ai caselli delle autostrade, né tantomeno alle «cannucianti file» che procedono a passo d'uomo sulle provinciali.

Un aumento della circolazione automobilistica, comunque, è previsto per oggi e soprattutto per domani, quando inizierà il centro di chi ha potuto passare il «pontone» delle feste natalizie fuori Roma. La città, intanto, comincia lentamente a avestirsi degli addobbi delle festività. Restano le tradizionali bancarelle di Piazza Navona, sempre affollatissime in questi giorni.

Per chi passerà in città il Capodanno, forniamo qui di seguito un breve taccuino di notizie utili:

BUS E TRAM - Oggi: servizio urbano per la rete di Roma Ostia e Tivoli; normale fino alle 21 circa. Servizio notturno: totale sospeso nella notte del 31 dicembre. Autolinee e extraurbane Roma-via Tiburtina-Tivoli: normale fino alle 23, ora in cui sarà effettuata l'ultima partenza da Roma e da

Tivoli. Su tutte le altre linee servizio normale. Domani: il servizio dei trasporti pubblici sarà quello normale dei giorni festivi.

NEGOZI E MERCATI - Oggi: Alimentari: apertura ininterrotta fino alle 19,30. Settore abbigliamento, arredamento, merci varie e articoli tecnici: orario normale. Mercati rionali coperti e scoperti: apertura fino alle 19,30. Domani: apertura completa di tutti gli esercizi; esclusi i fiori.

BENZINA - Lungo le autostrade è stato indetto uno sciopero dalle 22 di stasera fino alla stessa ora di domani.

TRAFFICO - Anche quest'anno per la notte di Capodanno il Comando dei vigili urbani ha predisposto particolari servizi di vigilanza in molti punti della città e principalmente nelle adiacenze di Porta Esquilina, via Vittorio Veneto, via del Tritone, piazza Barberini, piazza Colonna, largo Chigi e nei pressi delle zone che ospitano un maggior numero di ritrovi e locali notturni.

AEREI - Domani volò ridotti. Tutte le compagnie aeree, esclusa l'Itavia che rispetterà gli orari normali, effettueranno un programma minimo. L'Atitalia alcune linee essenziali, l'Alisarda due voli da e per Olbia. NELLA FOT: Piazza Navona affollata da cittadini.
