SCELTI PER VOI

Maurizio Nichetti attore e regista di «Volere volare»

Chi ha incastato Maurizio Nichetti? Scusatelo la banalità, ma la battuta è d'obbligo per questo film in cui il popolare comico milanese si trasforma in un cartone animato (con il decisivo apporto del disegnatore Guido Manuli). Usando la tecnica mista già vista in «Roger Rabbit» (disegni animati ripresi dal vero), Nichetti ci racconta la storia di un imbranatissimo tecnico di effetti sonori - un cacciatore di suoni, per così

dire - che conosce una strana amazione. Nasce uno strano amore, molto timido e molto casto, destinato a diventare stranissimo. Perché l'uomo a cominciare dalle mani si trasforma in un cartone con il suo corpo di cera. Esiste ma diventa, il film merita un'occhiata. Partner di Nichetti, la brava Angela Finocchiaro. COLA DI RIENZO, EXCELSIOR, MAESTRO
