IL NOSTRO FILM

A proposito di Schmidt, un grande Nicholson per una pellicola che lascia un po' insoddisfatti

C'è solo un grande, immenso, straordinario Jack Nicholson. Niente di più, e forse non è abbastanza. Un attore così incisivo da reggere da solo tutte le inquadrature di due ore e mezzo di pellicola...

Il cuore altrove

Scritto e diretto da Pupi Avati, "Il cuore altrove" è una storia d'amore e di presa di coscienza della vita che vede protagonista un timido e introverso...

La casa dei matti

Un film emozionante ed intenso che racconta la vita di una casa di cura per malati mentali lasciata incustodita sotto i bombardamenti ai confini tra Russia e Cecenia.

Prova a prendermi

La vera storia del baby truffatore Frank Abagnale jr (Di Caprio) e dell'agente Fbi che gli dà la caccia (Hanks), è lo spunto che serve a Spielberg per disegnare un abbozzato ma efficace affresco dell'ingenuità e dell'intraprendenza a stelle e strisce degli anni '60.
