ANTHONY BURGESS *Notizie dalla fine del mondo*

"Uno straordinario romanzo dall'autore di *Arancia Meccanica*."

Dario Ferialo
Corriere della Sera

A Novel
of which neither
the title nor the
content is certain.
Certain? Do I say
certain? The fact is
that I had no idea
what *News from
the World* was to be
about. All I know is
that the novel has to be
written & that I have
to write it soon.
Time is terribly short.
Time is shortly terrible.
Time is short and timeable.
